

VENDOR APPLICATION AND CONTRACT AGREEMENT

September 7 & 8, 2018

Please keep this form for your records.

Thank you for your interest in vending at the 2018 Colorado Pork and Hops Challenge! Last year's attendance was about 10,000 people over the two days, and with each passing year, the number of festival-goers increases!

HERE'S WHAT WE'RE LOOKING FOR AT THE 2018 COLORADO PORK & HOPS CHALLENGE:

- 40 Craft/Retail booths

We are looking for high quality products, either handmade or unique and beautiful. Artisans and crafts people are highly encouraged to apply.

We do not duplicate booths. (i.e. we would not accept two Silpada vendors.) If you were selected as a vendor last year, it does not guarantee your acceptance this year.

BOOTH REQUIREMENTS:

The overall appearance and presentation of your booth is critical to the overall feeling of the festival and to your retail success. We want to ensure that everyone has the best possible experience. The festival staff determines booth placement.

Booth space is limited to a single story 12' x 12' booth (including all wires, stakes, poles, etc.) with a good roof that can withstand wind, rain, hail and other inclement weather. Come prepared for all types of weather.

For the sake of all vendors we will not allow booths that look like "tarps on sticks". We **INSIST** you have four sides on your booth, the fourth side to cover the front of your booth at night. If you are not sure if we will accept your booth, send us a picture.

You must provide and set up your own lighting. Your extension cords should be at least 100 feet long. Power will be very limited for the craft/retail booths. Be very detailed in stating your power needs.

Your booth must be open during the entire festival. You cannot vacate early.

Hours required are Friday 4:00pm to 8:30pm, and Saturday 12:00pm to 10:00pm.

ABSOLUTLY NO BREAKDOWNS PERMITTED PRIOR TO 10pm Saturday.

Please staff your booth with fun-loving, toe-tapping, smiling folks!

Your booth must be neat, attractive and well-maintained. You must have a professional looking sign...please no neon lights or flashers. Banners and flags are encouraged.

You are responsible for setting up, maintaining, and removing your own booth, your merchandise and your trash. Your booth must be removed and the area cleaned up before NOON on Sunday, September 9, 2018.

All booths must have a usable 5 lb. fire extinguisher with valid inspection tag.

20lb bags of ice will be available for purchase for \$5 per bag (price subject to change).

ENVIRONMENTAL CONCERNS:

We are committed to minimizing the impact of the festival on the environment. We encourage you to do your part and help us maintain our reputation as a "green" festival.

VENDOR RESTRICTIONS:

Pets are absolutely not allowed on festival grounds.

Due to city restrictions, glass containers, Styrofoam, breakable plastic, carry-in alcohol and weapons are not allowed on Festival grounds. Please adjust your product line accordingly. All vendors will be required to remove any wooden pallets they bring into the festival grounds.

2018 BOOTH FEES:**\$200 for Craft/Retail booths**

Included in the booth fee are:

2 transferable 2-Day festival passes.

1 Vendor Vehicle Pass to unload/load your stuff. Once you are set-up, your vehicle must remain parked in the vendor area during the festival. We do not allow re-entry of vehicles once the festival has begun.

If you need to purchase additional passes for employees (2 Day, Single Day, etc.), please contact Larry Manchester at larrym@gjcity.org or (970)254-3844.

Lodging - various forms of lodging are available throughout Grand Junction and at various prices.

Children 11 and under are free when accompanied by an adult.

VENDOR SALES TAX

Craft/Retail Vendors are required to pay all their own sales tax on their gross sales.
